

Youth parliament of the alpine convention – Delegation Merano

Alpine convention in Bolzano – 05.04.2017: Together with two members of Innsbruck Sandra Pichler and Adam Righi presented YPAC and our postulations to the Permanent Secretariat of the Alpine Convention.

Last year we had several meetings in the **commune of Merano** with city councillor Madeleine Rohrer and some press conferences together the major of Merano Paul Rösch after YPAC 2017. We got lots of inputs and information. We also presented our postulations and our work in Innsbruck.

In May Natalie Shirin Boday, Thomas Tschenett and Daniel Corazza participated at the event for “Flusskrebse in der Passer” together with city council Madeleine Rohrer. As members of YPAC we want to show that for us the environment and nature are important for us.

Two members of our delegation, Johanna Erlacher and Lara Stolcis, went to the event **EUSALP** and participated at the meetings there, they met many politicians and had the chance to discuss interesting topics with the others.

This year we also had some meetings with **city councillor Madeleine Rohrer**, we got lots of information and some helpful examples.

Eine Delegation des Jugendparlaments der Alpenkonvention war heute zu Gast. Mich freut es besonders, wenn Jugendliche daran interessiert sind, an den vielfältigen Themen des ländlichen Raumes mitzuarbeiten! 🌲 🍎 FOS "Marie Curie" Meran **Natalie Boday**

On Monday 19.02.2018 we met **territorial councillor Arnold Schuler** who gave us many information about the topic preservation of soil. We also showed him the resolutions of last years YPAC.

Adam Righi, Thomas Tschenett and Johanna Erlacher met our **territorial councillor Philip Achammer**. We presented to him our last years YPAC resolutions and talked about YPAC.
