

DELEGATIONS FROM AUSTRIA

Hi, my name is Magdalena Virgolini and I am 17 years old. Having grown up in Innsbruck, Austria, I love to ski and to swim. Additionally I enjoy drawing very much as well as good food. In my spare time I preferably meet up with friends to hang out or to go out. Last but not least, I listen to music whenever I get the chance to do so.

My name is Lisa-Maria Lux and I am a student from Austria. Currently, I am living in Innsbruck, where I visit the "Akademisches Gymnasium Innsbruck". Besides school, I love doing sports, reading and everything which has to do with theater. I have been acting and dancing in a small theatre since I was three years old and it really is an essential part of my life. Additionally, I am very interested in politics, especially in the European Union. The EU is one of the biggest peace projects of all time consequently, we should really care about the development of the EU. Because I am thinking about a career as a journalist and write quite a lot in my free time, I am very excited to participate at this year's YPAC as a member of the press group.

Hello! My name is Janin Maffey, I am from Innsbruck and I'm 17 years old. My hobbies are reading, listening to metal music, travelling and being active in general. After school I would love to study Eventmanagement or Media and Communication Studies. Hope this is enough :) Kind regards,
